Objective

To leverage my legal knowledge, analytical skills, and courtroom experience to provide effective legal solutions and representation, while continuously learning and contributing to the advancement of justice and client interests in a dynamic legal environment.

Experience

- **Legal intern** September 2020 - November 2020
Uniyal and associates
It was a great experience working with Uniyal and associates although it was a virtual internship where we had been provided with daily research topic on various law topics and a weekly task and i delivered a speech on the topic of "ADULTERY" Also my team had won the moot court competition
- **Legal intern** March 2021 - July 2022
Pheonix law firm
Had a very great experience under the guidance of Advocate Abhishek Sharma sir.
Most of the cases were of criminal where I learned the basics of criminal drafting and how to defend our clients.
- **Legal intern** April 2022 - May 2022
Pradeep Rai
The internship under the guidance of senior advocate was such a great experience for a fresh law aspirant.
During internship we had to research on several topics of law on day to day basis.
- **Legal intern** November 2022 - December 2022
Ubadvocate
Internship under the guidance of jeevan prakash Sir(AOR) SUPREME COURT OF INDIA was a fruitful one though, the internship was virtual where I had been provided with a daily task which had to be submitted within the stipulated time. I've really gained much knowledge here related to civil and criminal cases.
In one of my task I made a video on a legal topic and I've opted for theories of punishment and concept of zero FIR.
- **Self employed** 2023 - Present
Practising before the delhi high court
Currently handling criminal,arbitration and copyright matters
